

## College Recruitment Info Pack

### What is it

Elite International Soccer is proud to launch its College Recruitment Center, a hub for all aspiring high school student athletes (grades 9-12), who are interested in pursuing soccer as part of their university education.

### USA college network

We have an extensive professional and personal network in the US for a large number of colleges and universities across the different NCAA programs for Division I, II and III schools. Through our network, various opportunities are available, from local scouting here in Egypt, to College Identification camps in the US as well as full and partial scholarships. Our track record includes Depaul University, University of California Riverside, Boston University and University of California Irvine, just to name a few.
